#### THE BERKELEY OVAL GAMES.

THE INCLEMENT WEATHER SPOILED A GREAT MEETING.

Only a Handful of Speciators Where Thou-sands Were Expected-No Records Bro-ken, but the Contents Were First Class, Oval yesterday afternoon, and what promised to be a memorable meeting was spoiled by the followent weather. Under the circumstances a postponement would have been the best ourse, but the management did not favor the

when the first event was called, and but few of the fair sex braved the weather. The track-master and his assistants worked like beavers all the morning to put the soaked track into something like condition, and it was fairly good, as the times of the various events will

From an athletic standpoint the meeting was a success, and rarely have more exciting contests been witnessed in this vicinity. Under the discouraging circumstances the "Princeton Demon" did not attempt any record breaking. He was in fine fettle, however, and won the 100-yard scratch race as easily as Tenny won the Handicap.

Mortimer Remington ran a splendidly judged race in the 440-yard handicap, as did A. B. George in the half-mile run, beating Ohampion Dadman from the scratch mark. McCarthy, the Manhattan's Irish runner, won the mile handicap right at the tape after the closest kind of a hair-raising finish. Schuyler defeated Harry Morrell in the low hurdles, one of the surprises of the day, running the distance in 26% seconds over the wet track. Billy Murphy's two wins in the bleyele races were of the easiest kind, the champion simply playing with his opponents.

During the afternoon Lloyd Collis of the New York A. C. and F. D. Lange of the Manhattan A. C. walked a relay race of a mile. The men walked alternating quarters, the respective times being: Collis, 1:30%; Lange, 1:28%; Collis, 1:45%; Lange, 1:38%; Total, 6 minutes 22% seconds. There is no record at this sport, is default of which Lange and Collis's performance becomes the best, But as Frank Murray's recerd is 6:29%, the time is not very meritorious. The officials of the day were:

\*\*Referee-William B. Chris, New York A. C. Track Bodges-George W. Garr, Manhattan A. C.; Il. & Callidan.

Signey-Nam Res. Acorn A. A. Official Announcer—F. W. Burns, Veruna B. C.

Thue, 6 minutes 15% seconds.

An Interesting Extradition Case. Washington, May 16.—Mr. J. R. Pillet of Montreal called on Mr. Moore, the Third As-

sistant Secretary of State, to-day in behalf of one Leda Lamontaigne, a French Canadian woman, who he represented is illegally imprisened in Sherbroke jail, in Canada. Last year the woman's husband was murdered, and it was charged that the crime was committed by her brother in her presence. Rather than acstify against her brother she fied to Boston, after having herself been acquitted of complicity in the killing. The Canadian authorities wanted her evidence, and, under a charge of arson, she was extradited last August. She was not tried for arson, however, but was brought into court and urged to testify against her brother. Refusing to do this, the Court sentenced her to imprisonment for one year for contemnt. Mr. Pillet represented that the woman is illegally detained, because the Canadian authorities had no right to do other than try her on the charge of arson, and that, act being so tried, she should be liberated from imprisonment.

Foreslooure Against a Cement Company. ALLENTOWN, Pa., May 16.—Francis G. New-lands F. W. Sharon, and Charles R. Sheppard entered this afternoon a bill in equity against the Keystone Cement Company, and Charles F. Whitehead and Stanley W. Pexter, trustees, to foreclose a mortgage for \$100,000. Antonio Rayarro, husband of Mary Anderson, is Presi-dent of the coment company.

#### Dressmuking Schools.

### THE McDOWELL 4 AND 6 WEST 14TH ST.

We have the largest and most practical school for drass cutting ever in this city. This GARMENT DEAFTING MAUISE is just what dressmakers have always wanted. It is the simplest method to learn, the most process of the simplest method to learn, the most process of the simplest method to learn, the most process of the simplest method to learn the most process and coasts saves as il making of paper patterns, as it drafts directly on the liming. It gives the most stylish and graceful lines and curves of any system in the world. No matter how many systems you learn, you can never compete with this wonderful garment drafting machine. Tou might just as well try to do without a saving machine. Our course consists of the entire art of French dressmaking, cutting out, leasting, boning, finishing, draping, matching stripes and plaids, &c. We have French German, and English teachers. In our dushing school pupils can bring material and make a dress while learning. Our course consists of the entire art of French dressmaking, cutting out, leasting, boning, finishing, draping. matching stripes and plaids, &c. We have French German, and English teachers. In our dushing school pupils can bring material and make a dress while learning. Our bishment end get the best salaries in the city, flood positions for competent parties. It would classes Tree-day and Thursday, Gur journals, "La Mode de Parte" and "Album des Modes," give the latest styles and practical lessons on dressmaking sach month. May number explains the new Fanh-ck skirt. Can be obtained at our office or the newsdalers."
